

## Directions

We strongly advise you to follow these directions and not rely on gps navigation... GPS directions may bring you up the backside of the mountain which incorporates difficult driving conditions.

If you are planning to visit or if you would like to tour our facilities, please be sure to call in advance to make an appointment...there could be a private event that is underway and we would not want to interrupt the privacy of a Very Special Event!

### From Roanoke, VA

Take Hwy 221 south toward Floyd. As you start up the mountain, the highway turns into 3 traffic lanes. When you get to the top, the highway will level off and return to 2 traffic lanes; look for the Bent Mountain Fire and Rescue Station on your left and turn left just before the Bent Mountain Fire and Rescue Station on to Slings Gap Road. Follow Slings Gap Road until you come to the 1st road on your left (brick church is the benchmark) which is Sugar Camp Creek Road. Turn left on to Sugar Camp Creek Road. Follow this road until you see the 1st driveway on your right (big green mailbox is the benchmark). Come on up...the SILVER HEARTH LODGE driveway is 3/4 of a mile long.
